#### A Great House.

Likes, Berwanger & Co., No. 310 Seventh street northwest, claim to be the only house in Washington that manufactures its own goods, and they make this claim with positive knowledge that it cannot be honestly disputed. Every article of clothing in their stock is made by them, and they, therefore, are safe in warranting the goods they offer to the public as superior in material, cut and make to those found elsewhere in the city. They have achieved a reputation for the general excellence of their goods, and particularly in the matter of fitting. The average coat, vest and pants in their stock is quite equal to the best custom made work in this respect. Every va. ety of fashionable style and design is contained in their stock. Their spring lines in coats, yests, pants, overcoats etc., etc., are very full and attractive. It is worth a visit to their large establishment to see the extent and variety of the goods they offer. Every-thing needed by the largest man to the smallest boy is visible and for sale there at most reasonable prices—prices considerably less than elsewhere. Every kind of cloth and the best of every kind, cut and made up in the most artistic manner-broadcloths, cassimeres, cheviots, diagonals, flannels, threeds, etc. Every reader of this notice should do himself the justice of calling on Likes, Berwanger & Co., for the purpose of comparing their goods and prices with those of other establishments before purchasing. This firm is confident that it is Dyspersia indigestion, torpid liver, offering better goods for less money than any other house in the clothing line in You will not be expected to buy unless you are glad to do so. Suits from \$8 to \$20 for boys; from \$2.50 to \$15 for children. my4

tablished on just this principle. It realizes that 95 PER CENT. of all diseases arise from deranged kidneys and liver, and it strikes at once at the root of the difficulty. The elements of which it is composed act directly upon these great organs, both as a food and restorer, and, by placing them in a healthy condition, drive disease and pain from the system. For the innumerable troubles caused by un-healty Kidneys, Liver and Urinary Organs; for the distressing Disorders of Women; for Malaria, and for physical derangements generally, this great remedy has no equal.
